THE CHRONICLE

VOLUME 13 ISSUE 10

JANUARY 2017

Greetings Members: Happy New Year to all! It seems as though this year has past us by in a flash. We as a lodge accomplished so much and had many successes. Our members and committees are truly second to none, when it comes to running fundraisers, special events, supporting special children and veterans. My wish for this year is that we continue on this positive path and make positive changes to improve and take us to another level of success. We can do it, I know we can because of the strength, power, drive and knowledge all of us possess to always be the best of the best.

Thank you for all you've done this past year and let's keep it going! I'm extremely proud to be your Exalted Ruler.

Fraternally yours,
Carmen Adonizio Exalted Ruler

VETERAN'S FIELD

VETERANS

We had a very busy and productive 2016 and hope 2017 will be as good or better. We had many opportunities come our way to be of service to our veterans and our troops. We wish everyone a Happy New Year and a continued thanks to all who support us.

Holiday Reflections

Thanksgiving comes but once a year.
It's a time when families gather near
To reflect and give thanks for those we hold dear.
We celebrate Christmas with parties and food,
Spend time with family and everyone's in a good mood.
Soon it's all over, and decorations are put away,
And then we do it all again for the next holiday.
Look forward to the New Year and keep hope alive
That our country brings our troops home
So no one else dies.
Have faith things will get better,
Pray to God above
That He will bless us and keep us
In His everlasting love.
Our country's in turmoil, and it gives me a chill.
We'll see better times soon.....I know we will.
Try not to let worry get you down.
Smile, keep your chin up,
And laugh out loud.
We'll certainly survive hard times once more
Because we have great strength and resolve
We didn't know we had before.
Take one day at a time, and treasure each day.
We need to work together because that's the best way.
Don't let hate determine how you act.
Instead, open up your heart and don't attack.
Make sure our country is the best it can be
Let's all work together....you and me!
Please, end the hatred towards our fellow man.
We'll all feel better if we're holding hands

Re: **Nominating William Scannon for Honorary Life Member**

I am honored to nominate William Scannon for Honorary Life Member. As a member of Bordentown Lodge #2085, he has exhibited distinguished service throughout his many years as a member. Bill was a Trustee in Bordentown for more than two terms during his membership at Bordentown. During those ten plus years he was here on a daily basis helping make decisions for the betterment of the Lodge. This time frame also included being instrumental in acquiring and the sale of Robbinsville Lodge. Bill has proven to be a special person for donations. Once he met an Elk on a plane who was a grandmother of a handicap child and he just donated a large sum of money to the child because that's what he felt like doing. A fireman lost his house and Bill donated money plus purchased a TV for his boy and big bear for the little girl and gave each child some money. He has donated his personal money on numerous occasions to help our lodge and committees financially. Bill purchased all the ceiling tile for upstairs and downstairs a few years ago. He has promised to pay $1,000 toward a hole in one on a couple occasions during Bordentown's golf tournaments. He has been the videographer for the State Elks Parade in Wildwood for twenty six years. Also, he has volunteered and traveled throughout the State and District including our Lodge to video numerous events. He has videoed the Peer Leadership Program in Long Branch for thirteen years for the State Elks Association. Bill is eighty three years old and has helped paint the entire lodge on the inside and to this day he is still painting the various rooms in need. There is more but I think you can get the picture I am making with his generosity and service to the Elks and mankind. Thank you for voting in making Bill an Honorary Life Member.

Respectfully Submitted,

William Johnson
